

## SAROJ GHIMIRE

### QA INTERN

Thali, Kathmandu | 9843951178 | ghimires090@gmail.com

 @ghimire-saroj |  @ghimiresaroj09 |  ghimiresaroj09.com.np

## PROFESSIONAL SUMMARY

---

Passionate QA professional skilled in manual and automated testing, bug tracking, and API testing. Seeking to apply my expertise to deliver high-quality software and improve testing processes.

## EDUCATION

---

### Bachelor of Information Technology (BIT)

*Texas College of Management & IT ( Lincoln University )*

Completed all coursework and recently appeared for the final semester examinations; results are expected within the next few months.

Dec, 2021 – Ongoing

Mitrapark, Kathmandu

### +2, Science ( NEB )

*Jaya Multiple Campus*

Jul, 2019 - Sep, 2021

Makalbari, Kathmandu

### SEE

*Mount Everest Secondary School*

2019

Thali, Kathmandu

## PROJECTS

---

### Hamro Agro Farm E-commerce Platform

*Python, Selenium, Pytest, JMeter*

- Performed manual testing to identify UI inconsistencies and verify core functionalities.
- Developed **20 + automated test scripts** using Selenium and Pytest for regression and smoke testing.
- Conducted performance testing with JMeter to evaluate system behavior under load.
- Maintained clear documentation of bugs, test cases, and reports to support development and QA tracking.
